

## **NYSCC Donates Covid-19 Survival Kit & Hand Sanitizers to New York & New Jersey Care Centers, Veterans & Nursing Homes**

*Leading Association for Beauty and Personal Care Cosmetic Chemists Gives Back During COVID-19*

(New York, NY, August 2020)—The [New York Society of Cosmetic Chemists](#) (NYSCC) has donated more than 8,000 bottles of FDA approved hand sanitizers to frontline workers in New York and New Jersey Medical Centers, Hospitals, and Care Centers as well as Veteran and Nursing homes. In addition, customized COVID survival kits that include masks, handle protectors, hand sanitizers and more will be distributed to several of the NYSCC sister chapters and select members.

The customized hand sanitizers benefited the following organizations:

Access Medical Associates, Englewood, NJ  
Albany County OEM, Albany, NY  
Atlantic HealthCare, Morristown, NJ  
Boonton Care Center, Boonton, NJ  
Express Home Care, Sparta, NJ  
Express Home Care, Wharton, NJ  
Health Village, Hackettstown NJ  
Nassau County OEM, Bethpage, NY  
NJ Sheriff's Office Bureau of Corrections, Morristown, NJ  
NYC Health + Hospitals, New York, NY  
New York Presbyterian, New York, NY  
NYU Langone, New York, NY  
Northwest Medical Group, Succasunna, NJ

Patient Care Morris County, Parsippany, NJ

Rockland County OEM, Pomona, NY

Suffolk County OEM, Yaphank, NY

The Oaks of Denville Independent Living, Denville, NJ

VA Hospitals in Suffolk and Westchester, NY and Paramus, NJ

Westchester County Emergency Services, Valhalla, NY

“NYSCC has witnessed heroic actions and incredible resiliency from frontline workers throughout the cities and states that are the home base for our membership and member companies,’ said Giorgino Macalino, Chairman, NYSCC. “We are honored to provide some virus protection to these healthcare professionals and civil servants during this unprecedented time.”

According to Albert Gehres, Deputy Commissioner, Office of Emergency Management, Suffolk County, through the generosity of NYSCC, and other organizations, their facility has been able to distribute almost 7 million PPE items to frontline healthcare and civil servant workers as well as small businesses that need protection.

The customized hand sanitizers were manufactured by a NYSCC member company. Many member companies in the personal care and product development space either donated or switched their manufacturing process at the start of the pandemic to produce products for frontline workers.
