In honor of our past chapter secretary, Roumelia Alina, this Award has been created to honor the virtues that Roumelia Alina displayed as a member of the cosmetic industry, her professional journey and her contributions to the society. Roumelia's **HARD WORK** was exemplary to those she worked for, worked with and the clients she served. While a trained pharmacist back in her native homeland, Philippines, she had used her technical abilities as an Account Manager to service her customers, ensuring that she went above and beyond on meeting their expectation and needs. She has showed **PERSEVERANCE** in every single position she held in the industry. Even though English was not her first language, like many immigrants who are part of the industry, it did not deter her from proactively learning and communicating effectively to ensure that she was functioning at her best in her professional roles. Even when others doubted her, she showed resilience and fortitude by winning customers with her level of service.

Roumelia's **COMPASSION** was unmatched and attested by all who knew her. Her friendly demeanor was a joy and earned her many meaningful connections both with her colleagues and her customers. She was a true **COLLABORATOR** and always there to lend a helping hand to those who were in need both personally and professionally. Roumelia embraced diversity and her unique qualities together with these bold virtues exemplify true Inclusion and Diversity. She believed that no matter who you are or where you came from, everyone deserves the same opportunity.
